

CIGOS2024

ADVANCES IN URBAN PLANNING, ARCHITECTURE AND CONSTRUCTION FOR SUSTAINABLE DEVELOPMENT

Ho Chi Minh city, Vietnam

April 4-5, 2024

<https://cigos2024.sciencesconf.org/>

Sponsorship packages

The Event

Date: April 4-5, 2024

Venue: Ho Chi Minh city, Vietnam

Objectives

- ❖ CIGOS aims to not only raise awareness regarding the vital importance of sustainability in infrastructure development but also emphasize the essential roles played by innovation and technology in facilitating the planning and construction of sustainable infrastructure.
- ❖ CIGOS provides an international platform that enables participants to:
 - disseminate scientific and technical knowledge in the interdisciplinary fields of civil engineering
 - foster business opportunities and collaborations
 - promote technology and policy changes toward sustainable development in civil engineering

Key participants

1

Researchers

Present state-of-the-art research trends in various topics related to Technologies and Applications for green infrastructure.

2

Industrial firms

Demonstrate their cutting-edge technologies being practiced in green infrastructure.

3

Policy makers

Present their domestic policies in developing green infrastructure.

The Organizers

Association of Vietnamese
Scientists and Experts

<http://www.avseglobal.org/>

University of Architecture Ho
Chi Minh City

<http://en.uah.edu.vn/>

Invited speakers

KIM RASMUSSEN

Professor, University of Sydney, Australia
Chair and members of numerous national and international standards committees related to Steel Structures, Stainless Steel Structures, Aluminium Structures, Scaffolding Structures and Steel Storage Racks

KELLY SHANNON

Professor of Urbanism, Department of Architecture, KU Leuven, Belgium; Member of the research group OSA (Research in Urbanism and Architecture); Her research and teaching are at the scale of urban and territorial design and is at the cross-roads of urban and landscape analysis and design

TAEHOON HONG

Professor of Department of Architecture & Architectural Engineering at Yonsei University, South Korea; Editor of Building and Environment, Elsevier; Associate editor of Journal of Management in Engineering, ASCE

LYESSE LALOU

Chair Professor at the Swiss Federal Institute of Technology, EPFL; Member of the Swiss Academy of Engineering Sciences; Founder and Editor-in-Chief of the Elsevier Geomechanics for Energy and the Environment journal

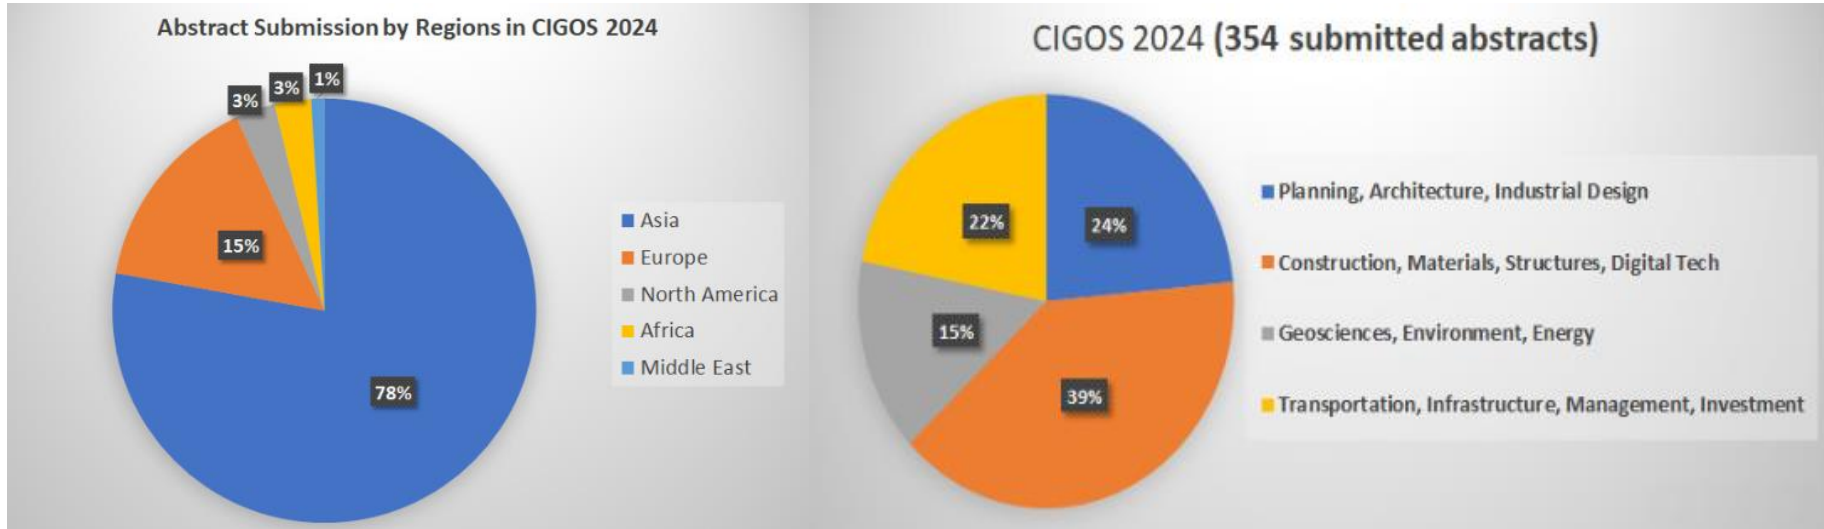

MASAHIKO SHINOZAKI

Professor, Department of Architecture, Faculty of Science and Engineering, Toyo University, Japan; Member of the Japan Institute of Architects and the Human Environment Society

Abstracts

**354 abstracts, 639 authors
from 41 countries**

Scheduled Programs

Technical program

Technical sessions

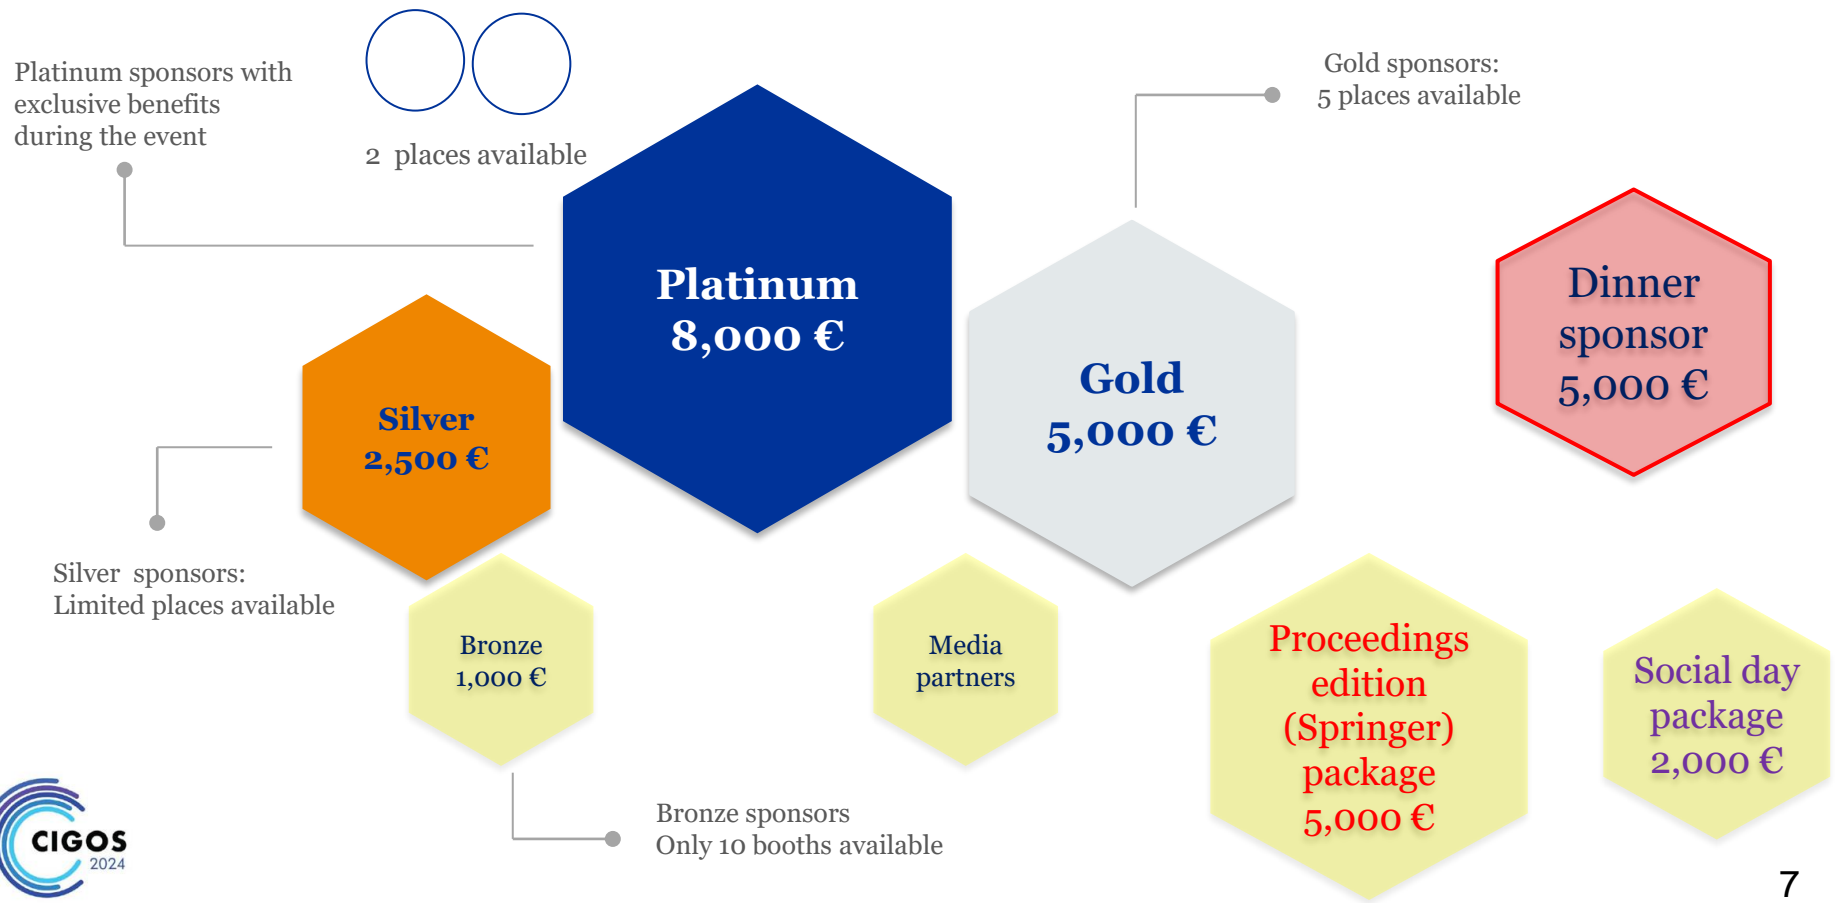

Exhibition

Gala dinner

Time: April 4-5, 2024
Place: Ho Chi Minh City, Vietnam

Sponsorship opportunities

No	Benefits offered to sponsors	Platinum	Gold/Dinner/ Proceedings package	Silver/ Social day package	Bronze
		8,000 €	5,000 €	2,500 €	1,000 €
1	Exhibition booth with all benefits offered to Exhibitor.	✓	✓	✓	
2	2 full conference registrations so that the sponsor has sufficient time to discuss with the members of Vietnamese government, leading professors and experts in the field of Civil Engineering.	✓	✓		
3	Sponsor's TVC ads (up to 30s) frequently on projection screens during the greeting time, before the official ceremony of the conference, and during gala dinner	✓			
4	Sponsor's TVC ads (up to 30s) will be displayed frequently on projection screens during the conference tea-break time, and during lunch time.	✓	✓		
5	Sponsor's TVC ads (up to 30s) will be showed frequently on O2 projection screens in the exhibition space to get the attention of attendees.	✓	✓	✓	
6	Sponsor's logo to be presented on the backdrop at the official press conference to announce the Conference CIGOS2024 with the participation of key reporters from major newspapers and academic journals.	✓	✓	✓	
7	Sponsor's logo to be printed in the proceedings and provided to visitors, foreign experts, and the construction companies as research references on issues related to Civil Engineering.	✓	✓	✓	
8	The Organizing Committee will arrange meetings upon requests between the sponsors and professors, reporters, top experts for more discussions on cooperative opportunities and bilateral technical consulting.	✓	✓	✓	

No	Content	Platinum	Gold/Dinner/ Proceedings package	Silver/ Social day package	Bronze
		8,000 €	5,000 €	2,500 €	1,000 €
9	Sponsor's logo to be printed on the backdrop at the official conference hall.	✓	✓	✓	
10	Sponsor's logo to be printed on the posters placed in conference rooms and in the great hall of the conference.	✓	✓	✓	✓
11	Sponsor's name and logo would appear and to be named at the introduction of the conference's donors list on the official conference website: https://cigos2024.sciencesconf.org/ and be linked to the sponsor's website.	✓	✓	✓	✓
12	The Organizing Committee would honor the sponsor with a DVD with information and images of the conference, one book of conference together with a certificate of merit as the high regards from the Organizing Committee.	✓	✓	✓	✓
13	Information of products and services of the sponsors would be presented during the meetings between the Organizing Committee and its partners, domestic and foreign agencies related to the organization of the conference.	✓	✓	✓	✓
14	The Organizing Committee would facilitate the space of one page for sponsors to introduce its products and services on the official website of the conference.	✓	✓	✓	✓
15	Sponsor's advertising documents would be placed at convenient locations for participants to collect.	✓	✓	✓	✓
16	The Organizing Committee would grant 02 Invitation letters to each sponsor and would include their name in the opening and closing speech at the conference.	✓	✓	✓	✓
